Rules / Instructions

E-Resources Usage Policy

All electronic resources available through the Central Library are for academic use only and are governed by license agreements. It is the responsibility of individual users to ensure that e-resources are used for personal, educational and research purposes only. The library membership form includes the guidelines for fair use of subscribed electronic content.

General Instructions for Users

- Care of books/ documents
  - Do not pull a book from the shelf by forcefully tugging the top of the spine.
  - Do not lift/hold the book by holding its cover/casing.
  - Do not force open a book as it may break its spine stitches/binding.
- Reference books will be issued to Faculty Members only for a period of 15 days.
- Books which are issued out can be put on hold/reserved online at http://koha.iiti.ac.in. Books can also be kept on reserve at the circulation counter.
- Users are requested not to take library books/ documents outside the library which are not issued against their names.
- Users should maintain silence in the library.
- No food and beverages are permitted inside the library.
- No bags are permitted inside the library. Users should leave their bags on the baggage racks outside the library. Valuables should not be left in the baggage racks.
- Users are requested to leave the books after reading/ browsing on the table/ trolley. Re-shelving of the books is done by the library staff.
- Users should not scribble on, fold, and/ or damage any library document in any way.
- The library reserves the right to take appropriate action in case of violation of library rules by users.

About the Central Library

The Library has a collection of 33800 books at present. These include books on all relevant subjects for teaching, reference and research in addition to fiction, literature and general interest books to take care of the leisure and recreation reading needs of users. The Library has also developed special collections such as Gandhian Studies, Hindi books, Children's books, etc.

The Library is currently functioning from two locations: Room No. 201 & 202, School Building; and Academic POD 1A 201. Users can avail of all services of the Library at both the locations. The new library building is under construction at present.
