RemoteXs Registration Process

Central Library, Indian Institute of Technology Indore, provides remote access facility to current Students, Faculty Members, and Staff Members to access the subscribed e-resources from an off-campus location, through "RemoteXs" software service.

What is RemoteXs?

RemoteXs is a software service through which one can access the scholarly content subscribed by the Central Library from a location other than the IIT Indore campuses. It provides users with a single window access to the digital assets of the Library from a remote location – anywhere, anytime. All you need is a working Internet connection.

By using the Remote Access Facility, the user agrees to the following conditions:

1. That you are authorized user of Central Library (Limited to current faculty, staff and students only)
2. That you will not share access with anyone else (Usage of the remote access facility is monitored, please do not share your login credentials with anyone.
3. That you will use the scholarly content accessed through RemoteXs only for academic purpose.
4. That you agree to the policy of the Central Library regarding the Fair Use of Subscribed e-Resources, as mentioned on the Registration page.

To Register as New User, go to:

RemoteXs Signup URL: http://centrallibraryiiti.remotexs.in/user/register

▪ Create an account by clicking on "Register" button.

- Fill up the registration form by providing your IITI e-mail.
