Automation

	Library ILMS – (Koha)	All transactions (Issue/Return/ Renewal/Hold) are done through Koha. Please visit http://koha.iiti.ac.in to access the OPAC
	Institutional Digital Repository (IDR) – (Dspace)	The IITI Institutional Repository has been created by the Central Library IIT Indore to showcase, organize, share, and preserve the scholarly output of Indian Institute of Technology Indore. Please visit http://dspace.iiti.ac.in:8080/jspui/ to access the IDR.
	Off-Campus Access to E-Journals/ Databases – (RemoteXS)	Students, Faculty Members, and Staff Members can access the subscribed e-resources from off-campus locations through “RemoteXs” software service. Please visit http://centrallibraryiiti.remotexs.in/
	Library Website	Please visit http://library.iiti.ac.in/ to know more about the library.
	IRINS@ IITI	IRINS is a web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre, in collaboration with the Central University of Punjab. The IRINS helps to showcase and facilitate discovery of research of various departments and individual faculty members. Publications information from various researcher identification systems such as Scopus ID, Researcher ID, Google Scholar ID, and Microsoft Academic Search ID is imported and integrated with

		<p>ORCID. The Graphical representation of research and metrics reflecting research impact can be checked at both department and individual level.</p> <p>The IRINS helps faculty members showcase their research contributions and see the impact of their research easily. It helps research scholars to find mentors or advisors. It helps administrators in maintaining research reports and impact analyses.</p> <p>Please visit http://iiti.irins.org</p>
